Forecast For Wales
Issued by Met Office Exeter
at 1600 on Wednesday 02 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with local heavy and thundery showers.

This Evening and Tonight:
A cloudy evening for many with heavy and potentially thundery showers at times, becoming more confined to the north later. Overnight, there will be some patchy light rain or drizzle, mainly over hills. Minimum temperature 11 deg C (52 deg F).

Thursday:
Any lingering rain will clear by the morning to leave a dry day. Cloud will gradually thin during the afternoon to leave sunny spells. Feeling less warm than previous days. Maximum temperature 21 deg C (70 deg F).

Outlook for Friday to Sunday:
Fine and dry on Friday. Largely fine on Saturday with isolated showers. Cloudier on Sunday with showers and the occasional sunny interval. Feeling warm throughout, however cooler than previous days.
